THE STORY

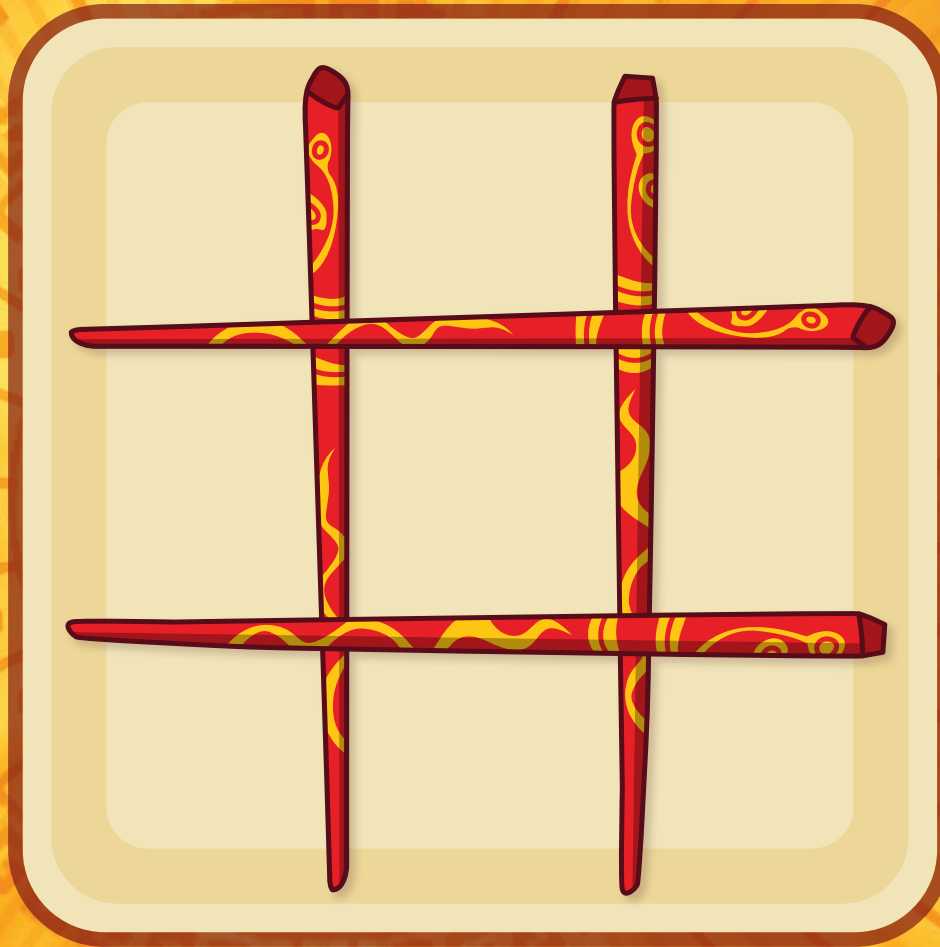

Po has taken on one last adventurous mission: he must find a new hero to take over his title as Dragon Warrior, so that he can fulfill his destiny to become the next spiritual leader of the Valley of Peace. In a classic mismatch buddy comedy, he teams up with Zhen, an unrepentant fox thief, to discover the truth about recent sightings of villains he thought he'd left in his past. It takes a wicked, terrifying, magic-wielding enemy to bring Po and Zhen together on a journey that will test them both, reminding Po that heroes can be found in the most unexpected places.

TIC-TAC-TOE

With the help of a parent or guardian, cut out the tokens below. Choose which character you want to be and take the corresponding tokens; then give your opponent the tokens of the other character. Taking turns, place one of your character tokens on an empty space on the board. The first player to place three of their character tokens in a row, whether horizontally, vertically or diagonally wins. If neither player is able to get three in a row, the game ends in a tie.
